DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 08/06/2004 has been entered.

Allowable Subject Matter

2. Claims 1-37, 39-46, 48-55, 57-62 are allowed.
3. The following is an examiner's statement of reasons for allowance: The reason for indicating that claims 1-18 and 28-35 contain allowable subject matter were disclosed in detail in the previous Office Actions. The amendment made to the rest of the claims to more clearly disclose that the second and third optical systems include a common primary split Mangin mirror with a narrowband coating positioned at an interface of the first and second portions of the split mirror, overcome the rejections applied against the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
